

TOWN OF SEWALL'S POINT BUILDING DEPARTMENT
One South Sewall's Point
Road Sewall's Point,
Florida 34996
Tel 772-287-2455 Fax 772-220-4765

Since 1990,
Sewall's Point
has proudly
been
designated a
"Tree City
USA"

APPLICATION FOR TREE REMOVAL, RELOCATION OR REPLACEMENT PERMIT ON RESIDENTIAL PROPERTY

(This permit is required for ALL tree removal in a residential area, including new construction and/or renovation)

A Permit is **REQUIRED** to remove or relocate **ANY** tree(s) with two (2) exceptions: (1) Citrus tree(s) or (2) Tree(s) less than two inches (2") in diameter measured four feet (4') from the top of soil.

Trimming or pruning a tree to the extent that its natural function is severely altered is **EFFECTIVE REMOVAL** and requires a permit for tree removal.

*****PENALTIES FOR UNPERMITTED TREE REMOVAL ARE UP TO \$5,000 PER TREE*****

Criteria for Review: The Town shall first consider adverse impacts to soils, water, ecological systems, noise, wildlife habitat, property values, and other criteria identified in Town ordinances, including without limitation any impacts to a "Specimen Tree" having high aesthetic or ecological value. If this initial review is passed, a permit will be issued only if one of the following conditions are met: (1) the tree is in an area where structures or utilities are permitted under Town codes AND preserving the tree would unreasonably restrict the economic enjoyment of the property AND the tree cannot reasonably be relocated on the property; or (2) the tree is diseased or injured OR located too close to structures OR interferes with existing utilities OR creates an unsafe visual obstruction; or (3) the tree is to be replaced by another tree on the owner's property.

The Town may require that you retain the services of a TRAQ Certified Arborist to complete the attached International Society of Arboriculture (ISA) Basic Tree Risk Assessment form in the event that the permit application includes removal of any large hardwood/native tree due to its proximity to a structure or concern for a safety condition. This requirement may be waived by the Town at its discretion. **The Arborist must be independent from the contractor removing the tree(s).**

Application procedures:

1. Complete application information including sketch below.
2. Place identification tape or ribbon on each tree proposed for removal/relocation.
3. Inspector will visit site and confirm (a) whether property meets residential tree requirements (b) identify prohibited species for removal from property.
4. Applicant can obtain permit, if issued, from Town Hall. Permit must be posted on site prior to work proceeding.
5. Permits expire if work does not begin within 3 months and if activity is interrupted over 45 days.

Permit Fee is \$15.00. (No fees are assessed for removal of prohibited species or for a tree which is dead, diseased, injured, or hazardous to life or property.)

AS A CONDITION OF ISSUANCE OF ALL PERMITS HEREUNDER, ALL PROHIBITED SPECIES MUST BE REMOVED FROM THE ENTIRE PROPERTY AND COMPLIANCE WITH MINIMUM NUMBER AND SIZE OF TREES REQUIRED BY TOWN CODE BASED ON LOT SIZE MUST BE MET.

IF THE PERMIT IS DENIED, THE TOWN WILL NOTIFY THE APPLICANT IN WRITING OF THE BASIS FOR DENIAL. APPEAL MAY BE MADE TO THE CODE ENFORCEMENT BOARD AS PROVIDED IN THE TOWN ORDINANCE.

THE FOLLOWING IS A LIST SPECIES ARE CONSIDERED NATIVE, PROTECTED SPECIES (the list may be modified from time to time by regulatory agencies; applicant is responsible for independent confirmation): BLACK IRONWOOD, BLACK MANGROVE, BLOLLY, BUTTONWOOD, CABBAGE (SABLE) PALM, COCOPLUM (RED TIP AND GREEN TIP), CORAL BEAN, DEER MOSS, GRAY TWIG, GOPHER APPLE, GUMBO LIMBO, INKWOOD, LAUREL OAK, LEATHER FERN, LIVE OAK, MAHOGANY, MARLBERRY, MASTIC, MULBERRY, MYRTLE OAK, PARADISE TREE, PIGEON PLUM, POND APPLE, PRICKLY PEAR, RED MANGROVE, RED MAPLE, RED BAY, SAFFRON PLUM, SAND PINE, SCRUB PINE, SATINLEAF, SAW PALMETTO, SCRUB HICKORY, SEA GRAPE, SEA OXEYE, SLASH PINE, STOPPERS, WILD LIME, SUMAC (SOUTHERN), SUGAR BERRY (HACKBERRY), TORCHWOOD, WILD COFFEE, VARNISH LEAF, WATER OAK, WAX MYRTLE, WEST INDIAN CHERRY, WHITE MANGROVE.

TREE REMOVAL, RELOCATION, REPLACEMENT PERMIT
WORK PERMITTED FROM 8:00 AM TO 5:00 PM – NO SUNDAYS

Owner _____ Property Address _____ Phone _____

Contractor _____ Address _____ Phone _____

No. of Trees REMOVE ___ Species _____ Caliper @ 4' above soil ___ (inches) Height ___ (ft.)

No. of Trees RELOCATE/REMOVE ___ Species _____ Caliper @ 4' above soil ___ (inches) Height ___ (ft.)

No. of Trees REPLACE/REMOVE ___ Species _____ Caliper @ 4' above soil ___ (inches) Height ___ (ft.)

REPLACED OR RELOCATED TREES MUST BE INSPECTED WITHIN 30 DAYS OF PERMIT ISSUANCE

ALL PROHIBITED SPECIES AND VEGETATIVE WASTE MUST BE REMOVED FROM PROPERTY

Reason for tree removal/relocation/replacement _____

SKETCH (Show location of tree(s) to be removed/relocated; dimensions of lot; location of structures):

Signature of Property Owner _____ Date _____

This space for Official Use only:

Approved by Building Official: _____ Date: _____ Fee: _____

Building Inspector Notes: _____

Minimum Tree Requirements Met On Property

Prohibited Species Identified for Removal

Basic Tree Risk Assessment Form - All items must be answered - if not applicable, please write N/A

Client _____ Date _____ Time _____
 Address/Tree location _____ Tree no. _____ Sheet _____ of _____
 Tree species _____ dbh _____ Height _____ Crown spread dia. _____
 Assessor: _____ Fla. Cert. # _____ TRA Qualified? Y ___ N ___ Time frame _____ Tools used _____

Target Assessment

| Target number | Target description | Target zone | | | Occupancy rate 1 - rare 2 - occasional 3 - frequent 4 - constant | Practical to move target? | Restriction practical? |
