

# Sewall's Point Heritage Tree Nomination

The Town of Sewall's Point places a high value on the beautiful trees that line its streets and add to the ambiance of the Town. In recognition of certain outstanding trees, the Town has developed a Heritage Tree Recognition program. A Heritage Tree can be an individual tree or stand of trees that, due to its age, size, species, quality or historic association, is of landmark importance and worthy of recognition.

You are invited to nominate a tree or stand of trees for designation as a Town of Sewall's Point Heritage Tree. Nominations are accepted continuously with review and decisions being made by the Sewall's Point Heritage Tree Committee. Anyone may nominate a tree for Heritage Tree status, as long as the property owner gives approval for the nomination.

On the following pages, you will find the nomination form that should be completed and returned to the Town Manager, Town of Sewall's Point, One South Sewall's Point Road, Sewall's Point, FL 34996, or by email to [pwalker@sewallspoint.org](mailto:pwalker@sewallspoint.org).

Thank you for your nomination, and for helping to identify these beautiful landmarks of the Town of Sewall's Point.
