BUILDING DEPARTMENT

Notice of Violation and Notice of Hearing*

CASE #B24-0063

Property Owner: Gregory Terraglio
Owner Address: 33 N River Rd
Sewall's Point, FL 34996

DATE: October 31, 2024

VIOLATION ADDRESS: 33 N River Rd
PARCEL ID #: 35-37-41-002-008-00130-6

The Town of Sewall's Point works to ensure that the Town is a great place to live and visit and to keep its neighborhoods safe and well maintained. Sometimes this requires Town staff to issue a code enforcement violation that may result in fines, administrative costs and liens. In an attempt to prevent that from occurring, we would like to make you aware that your property is in violation of the following Town of Sewall's Point Code of Ordinances and/or the Florida Building Code:

Violations:

Sec. 62-174. Prohibited docks.

Except for private residential single docks and private residential common boundary docks, there shall be no docks (including commercial docks or the commercial use of a residential dock) permitted within the jurisdictional limits of the town.

Sec. 82-274. Setbacks.

Each lot in a residential district shall have front, side and rear setbacks not less than the following:

- (1) *Primary residential structure.*
- f. *Riverfront lots.* On riverfront lots, buildings, as well as garden walls, fences and railings in excess of three feet in height, except those exempted in section 82-276, shall maintain a setback in no case less than 50 feet from the existing mean high water line measured perpendicular from the primary structure to the sea wall or the river.

Sec. 62-172. Construction standards for marine construction.

(b) Docks for single-family use may moor no more than four vessels which are used for private recreational or leisure purposes only in the town. Docks shared by two single-family residences can provide moorings for no more than eight vessels, as described above.

Sec. 50-86. Permit application.

- (a) *When required.* Any owner, authorized agent, or contractor who desires to construct, enlarge, alter, repair, move, demolish, or change the occupancy or occupant content of a building or structure, or any outside area being used as part of the building's designated occupancy (single or mixed) or to erect, install, enlarge, alter, repair, remove, convert or replace any structural, electrical, gas, mechanical or plumbing system, the installation of which is regulated by the technical codes, or to cause any such work to be done, shall first make application to the building official and obtain the required permit for the work.

To avoid the need to go to a hearing and the possibility of any fines, please comply the violation(s) on or before **November 7, 2024**, and contact the undersigned Code Enforcement Officer to verify compliance on or before that date. If you do not understand what is required to come into compliance or if you have any other questions regarding the violation, please contact the Code Enforcement Officer at the number below. We strive to work with our residents to resolve all code enforcement issues without the need for a hearing. However, if the violation remains after the time set for compliance above, the Code provides that the Town will hold a **public hearing before the Code Enforcement Board/Special Magistrate. This hearing will be held on November 20, 2024, at 10 a.m.** in the Town Commission Chambers, 1 S. Sewall's Point Road, Sewall's Point, Florida. The Code provides that the hearing may be held if the violation is not complied prior to the date given for compliance, even if the violation has been corrected prior to the hearing. These provisions also provide that if the violation is corrected and then re-occurs, the hearing may go forward. If you do not attend the hearing, the Code Enforcement Board/Special Magistrate may base the findings solely upon the testimony of the code enforcement officer and that of any other witness present and upon any evidence presented. Therefore, it is important that you are present at the hearing to share your perspective, testimony and evidence regarding the alleged violation.

If the Code Enforcement Board/Special Magistrate finds that the alleged violation exists on your property, Florida law makes the property owner responsible for the administrative costs incurred by the Town in pursuing the enforcement of the violation. These costs may be included with any fines imposed by the Code Enforcement

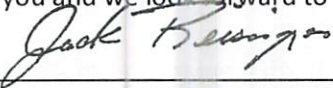

Board/Special Magistrate or may be collected as otherwise authorized by ordinance and/or law. The Code Enforcement Board/Special Magistrate has the authority to levy fines of up to \$250.00 per day, per violation and up to \$500.00 per day, per repeat violation, for each and every day that each violation continues.

Florida law provides that once ordered and recorded, the administrative costs (and all other costs incurred) and any fines imposed by the Code Enforcement Board/Special Magistrate will constitute a lien on the property described above and upon any other real or personal property owned by the property owner(s). The Town encourages all property owners who receive a notice of violation to contact the Town so that we may work together towards compliance so that these legal remedies are unnecessary.

The Town is required by law to advise you that if you disagree with a decision of the Code Enforcement Board/Special Magistrate, you may appeal to the Circuit Court of Martin County within 30 days after the order is entered. If a person decides to appeal any such order, with respect to any matter considered at subject hearing, they will need a record of the proceedings, and for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which the appeal is to be based (sec. 286.0105, Fla. Stat.).

If you require further information or otherwise wish to discuss the violation, please contact Jack Reisinger, Town Building Official, at **772-287-2455**. Please be sure to have your case number available so we may promptly assist you.

Thank you and we look forward to working with you to resolve this matter.

Jack Reisinger, C.B.O., Town Building Official

The Town of Sewall's Point works to ensure that the Town is a great place to live and visit and to keep its neighborhoods safe and well maintained. Sometimes this requires Town staff to issue a code enforcement violation that may result in fines, administrative costs and liens. In an attempt to prevent that from occurring, we would like to make you aware that your property is in violation of the following Town of Sewall's Point Code of Ordinances and/or the Florida Building Code:

Violation: Parking restrictions (oversized trailer)

Restricted vehicles. All vehicles that are not defined as standard passenger vehicles, including but not limited to, commercial vehicles, nonstandard vehicles, and inoperable vehicles. Restricted vehicles also include vehicles greater than seven feet in height, having more than two axles, or having more than four tires regardless of whether it is otherwise defined as a standard vehicle.

Nonstandard vehicles. All passenger vehicles not defined as standard vehicles shall be considered nonstandard vehicles. Nonstandard vehicles include those that have been manufactured or altered for a purpose other than, or in addition to, private conveyance of drivers and passengers on roadways and those that have been individually designed, individually manufactured or individually altered to feature nonstandard bodies, seats, windows, sides or other characteristics. Nonstandard vehicles also include those that provide plumbing, cooking, refrigerator, living, conduct of business or trade, recreation, towing, hauling, trailering, delivering, camping or sleeping facilities. Nonstandard vehicles include commercial vehicles, recreational vehicles or RVs, **trailers**, campers, travel trailers, mobile homes, travel cars, dune buggies, swamp buggies, agricultural vehicles, tractors, or vehicles with passenger-conveying forward cabs and open or enclosed rear compartments, flatbeds, or areas intended or used for purposes other than conveying passengers. An otherwise standard vehicle that has been modified or altered to display commercial lettering shall be considered and classified as a nonstandard vehicle.

Sec. 42-24

(c) *Enclosure of restricted vehicles required in R-1 district.* No restricted vehicles may be parked, kept, stored or maintained upon a street, road or right-of-way or on private property within any R-1 district of the town unless the vehicle meets one of the following exceptions:

(1) The restricted vehicle is totally concealed from the view by a fence or wall set behind the front building line, or a hedge, constructed in compliance with section 82-276, of any abutting property (whether occupied or not) or any street or road, whether public or private, right-of-way or easement serving the property on which the restricted vehicle is located. A restricted vehicle not concealed as specified herein is in violation of this section.

To avoid the need to go to a hearing and the possibility of any fines, please comply the violation(s) on or before **October 30, 2024**, and contact the undersigned Code Enforcement Officer to verify compliance on or before that date. If you do not understand what is required to come into compliance or if you have any other questions regarding the violation, please contact the Code Enforcement Officer at the number below. We strive to work with our residents to resolve all code enforcement issues without the need for a hearing. However, if the violation remains after the time set for compliance above, the Code provides that the Town will hold a **public hearing before the Code Enforcement Board/Special Magistrate. This hearing will be held on November 20, 2024 at 10 a.m.** in the Town Commission Chambers, 1 S. Sewall's Point Road, Sewall's Point, Florida. The Code provides that the hearing may be held if the violation is not complied prior to the date given for compliance, even if the violation has been corrected prior to the hearing. These provisions also provide that if the violation is corrected and then re-occurs, the hearing may go forward. If you do not attend the hearing, the Code Enforcement Board/Special Magistrate may base the findings solely upon the testimony of the code enforcement officer and that of any other witness present and upon any evidence presented. Therefore, it is important that you are present at the hearing to share your perspective, testimony and evidence regarding the alleged violation.

If the Code Enforcement Board/Special Magistrate finds that the alleged violation exists on your property, Florida law makes the property owner responsible for the administrative costs incurred by the Town in pursuing the enforcement of the violation. These costs may be included with any fines imposed by the Code Enforcement

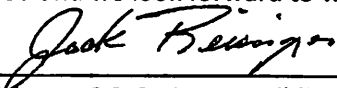

Board/Special Magistrate or may be collected as otherwise authorized by ordinance and/or law. The Code Enforcement Board/Special Magistrate has the authority to levy fines of up to \$250.00 per day, per violation and up to \$500.00 per day, per repeat violation, for each and every day that each violation continues.

Florida law provides that once ordered and recorded, the administrative costs (and all other costs incurred) and any fines imposed by the Code Enforcement Board/Special Magistrate will constitute a lien on the property described above and upon any other real or personal property owned by the property owner(s). The Town encourages all property owners who receive a notice of violation to contact the Town so that we may work together towards compliance so that these legal remedies are unnecessary.

We are prohibited by law from relying on sales that occur after the January 1 assessment date. Therefore, market values shown on the website do not reflect today's market conditions, but rather the market conditions last year. In addition, the statutes require the county Property Appraiser to deduct for typical costs of sale (which include expenses such as commissions, title insurance, appraisals, inspection fees, etc.) when arriving at market value for tax purposes. That is why the market value for tax purposes is different from what a property would sell for today.
